| The British sent 134,000 soldiers and sailors to this war. The Colonists met them with 230,000 Continentals and 50,000 militia. |                                   |                              |         |                   |                  |          |                     |
| The British allies included Indians and Hessians. The colonies had for their allies soldiers from France.                       |                                   |                              |         |                   |                  |          |                     |
| The * denotes the successful army; k., killed; w., wounded; p., prisoners; m., missing; s., surrendered.                        |                                   |                              |         |                   |                  |          |                     |
