

**Re: Phillip E.M. Leith Memorial Award  
Nomination 2013**

It is my pleasure to forward the name of our member Catherine Fryer UE as a candidate for nomination. A member of the Victoria Branch UELAC requested the nomination of Catherine Fryer UE for the 2013 Leith Memorial Award.

Catherine Fryer UE joined the Victoria Branch in 2005. Over her years as a member, Catherine has volunteered her services at our displays at various community and outreach events.

Catherine has provided presentations of her ancestors to our members at branch meetings and she along with two other members, gave a two-hour program to the Victoria Genealogical Society on an introduction into DEL research.

Catherine has attended AGM conventions of the UELAC several times, has applied for, and received 14 certificates. Catherine is currently our branch treasurer and acts as the branch genealogist in Maralynn's absence. Catherine is also active and successful in seeking new members for our branch.

Catherine has been an ardent supporter of the UELAC over the years and is a dedicated member who fosters public awareness of our national history through her tireless time and energy as a volunteer at our branch activities.
