2020 UELAC DOMINION CONFERENCE
Eyes on the Heart of the Continent
June 24-28, 2020
Hosted by the Manitoba Branch

2020 Conference Communique # 4

COVID-19 – March 13, 2020 Update

By now, you are wondering how COVID-19 will affect our upcoming Dominion Conference. As of today, we still anticipate holding our conference in June and are looking forward to welcoming you. However, we are investigating all possible scenarios, we are communicating with our venues and service providers and naturally, with UELAC, whose direction will guide us in decision making. We will keep you informed should anything change.

The following message has been posted on the [2020 conference page](#) of the UELAC website:

NOTE re Covid-19 Pandemic:

UELAC and Manitoba Branch are monitoring the Covid-19 situation closely and will respond to any direction from the Federal or Provincial Governments. We are working with the Conference Committee in Winnipeg and will advise our members through the website and other conference communications channels of any developments as soon as we are aware of them. Decisions about the conference and AGM will need to be made in a timely manner and we ask our members and others interested to monitor this site and watch for other communications for further information.

Please be assured that for registrations arriving by mail for the next while, we will record the registration details but will delay depositing the cheques until decisions have been made.

Thanks for your patience, everyone!

Wendy Hart and Mary Steinhoff, Co-Chairs
