# AUTHORS & HISTORY TOUR

7 NIGHTS | OCTOBER 10, 2015 | ABOARD THE REGAL PRINCESS\*

Bringing to life the tales of Loyalists in the American Revolutionary War and the War of 1812 is very natural as Elaine's personal roots are in those struggles, out of which arose Canada and the United States. The first two books of her trilogy are now complete. The Loyalist's Wife and the recently completed The Loyalist's Luck are both real page turners.

**Readings from the author and open discussions about places along the route and their links to two wars will make this an event not to be missed.**
