

Milt Loomis Honoured. Plaque for Little Hyatt One Room Schoolhouse

As President of our Branch, I thought that I should let you know of some of our activities. We completed the construction of our Virtual Interpretation Panel (Listening Station) yesterday and we now wait patiently for the colorful historical panel to be inserted along with the bilingual voice box. It has been a difficult task this summer as it was either far too warm to work or it was raining! We are thrilled to have received the 6" x 10" Bronze Plaque from Canadian Heritage – Canada 150 to be mounted on or near the Interpretation Panel. Bev Loomis UE
