

YOUNG, Peter: War of 1812 Plaque

July 11, 2015 I attended the War of 1812 commemoration plaque unveiling for my 3X great grandfather Peter Young UE son of Loyalist Daniel Young UE and grandson of Adam Young UE. There were over 100 in attendance including honorary guests from the Oxford and Kent Scottish Regiment, Hamilton Light Infantry, MPP Toby Barrett and MP Diane Finley, along with many descendants of Peter Young and Hannah Riselay.

Bill Young UE, also 3X great grandson worked very hard to get the designation for Peter Young.

My Mom, Lola Timson UE (recently deceased) and I worked many hours over the years to get the Wesleyan Methodist cemetery in Caledonia cleaned up, the headstones restored and recognition for the contribution of the Young family. There is now a cemetery committee and the cemetery is in much better shape. Standing on my soap box and waving the UE flag finally paid off.

loyally, Pat Kelderman UE
