To the United Empire Loyalists' Association of Canada,

I am writing to express my gratitude for the 2019 UELAC Scholarship. I was extremely honoured to learn that I would be this year's recipient and I deeply appreciate your support.

As a PhD student having just completed my second year at the University of Western Ontario, this scholarship will provide me with research opportunities that would otherwise have been out of reach. I intend to complete my degree by 2021 and from there find a job teaching Canadian history with an emphasis on early Canadian/American relations. The UELAC Scholarship will go far in helping me to achieve this goal and I am very grateful for this generous funding.

Thank you once again for your support in awarding me this scholarship. Your generosity has provided me with an amazing opportunity which I plan to take full advantage of as I move forward in my academic career.

Sincerely,
